PRICE LIST OF  
TREES, SHRUBS AND FLOWERS  
For The Lower South.

**THE JENNINGS NURSERY**  
Jennings, Louisiana.

"PLAN TO PLANT ANOTHER TREE."

EVERY TREE A SPECIMEN.

## READ BEFORE ORDERING!

TERMS: All prices are f. o. b. Jennings, La. To parcel post orders add 10c to each dollar's worth to cover postage. No orders sent c. o. d. Full remittance should accompany each order, and if the trees are not satisfactory we will return your money.

Shipping season November 1st to April. Please make your order for at least \$2.00.

## SERVICE.

If you have a tree or shrub that seems to need a doctor, tell us the symptoms, we'll prescribe for it without charges. It is also your privilege to ask us for any other horticultural information you may desire.

## PRUNING.

Unless instructed not to do so, we will properly prune all trees before shipping.

## OUR GUARANTEE.

We guarantee all stock sent out to be well rooted, well grown, true to name, properly packed and shipped as directed. We cannot be held responsible for more than the amount received for any plant or tree under above guarantee.

## B. & B.

B. & B. means balled and burlapped, that is, the plant or tree is dug with a ball of earth intact, not disturbing the roots and sewing or tying burlap tightly around. When this is done the plant or tree can be sent without cutting back and with all leaves and branches. Orange trees get a much better start when this is done. Extra charge for B. & B. on trees not so listed is price of tree, making the price double the list price.

## OTHER TREES.

If you cannot find what you want in this list, order it anyway, we will get it for you.

## TOP WORKING LARGE PECAN TREES.

If you have large barren Pecan tree or trees that bear small inferior nuts, see us about them. We can top-work, that is, bud them in the branches to large paper-shell varieties, and in two or three years they will be bearing fine large nuts. Prices on this work made upon application.

# FRUIT AND NUT DEPARTMENT.

## PAPER SHELL PECANS.

Height	Each	10	100
3 to 4 feet	\$1.25	\$11.50	\$100.00
